

COMMUNITY IMPACT

JANUARY - OCTOBER 2023

\$1.16M in contributions of direct financial assistance and subsidized programs and membership so far this year.

The Madison Area YMCA has been supporting our community since 1873. Our ability to persevere over the past year is built on a foundation 150 years in the making. It is propelled by the energy, compassion and steadfast determination of Y staff, volunteers, community partners and donors like you who kept our mission strong.

SOCIAL RESPONSIBILITY **\$40K+** was donated by Madison Area YMCA staff in support of the Y's Annual Fund.

100 lives saved from blood drives hosted at the Y.

\$169K of tuition assistance has been raised to support F.M. Kirby Children's Center families in 2023.

\$2.6K Average amount of financial assistance provided to families each week for summer day camp.

YOUTH DEVELOPMENT **200+** children participate in early childhood education and child care at our F.M. Kirby Children's Center each month.

30 children, teens and their families received mental health counseling each month at Project Community Pride.

180 children per week attended summer day camp this summer.

40 Youth and teens take part in our dedicated Special Needs Programs.

85 School-age children served per month in After Care programming.

91 gymnasts on our nationally ranked Rosettes Gymnastics team.

214 current swimmers on our Mariners Competitive Swim Team (ages 6-18).

HEALTHY LIVING **517** members have onboarded to EGYM, our user-friendly 20-minute circuit system workout.

78 weekly Group Exercise classes with 1,000+ participants each week.

5K+ Personal Training and Group Sessions in 2023.

30 participants in Paths to Wellness chronic disease programs each week.
