

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

KIRBY STUDENTS HAVE YMCA MEMBERSHIPS

Remember that membership fee you paid when you enrolled? Well, let's see what that gets you!

KIDS CENTRAL

The Y's indoor playground is available for **Open Play** every afternoon free of charge and **babysitting** is available for an hourly fee. There are also a variety of programs where you can drop off your children and leave the building:

- **Drop and Shop** is a 4-hour mini-camp where, under the supervision of trusted and qualified Kids Central instructors, your child will burn some energy on our Kids Central playground, get creative with a craft and concludes with dinner and a movie.
- **Drop and Play** allows children to stay in Kids Central Babysitting for up to two hours.

FAMILY PROGRAMMING

There are a variety of programs with families as the focus:

- **The Family Dinner Project** are events that bring families together in our community to teach the children how to prepare a healthy meal and how to set a table.
- **S-A-T-U-R-D-A-Y Nights** features a different theme for family quality time. Activities include swimming and Open Play in Kids Central.
- **End of Summer BBQ, Movie Nights, Halloween Spooktacular** and more!

MEMBER RATES FOR CLASSES

Kirby students receive member rates for classes in the School of Performing Arts, Gymnastics, Sports and Aquatics. We also have classes specifically for Kirby students, both at Kirby and the Family Center, and ones that students can be bussed to and from Kirby.
