**AGREEMENTS**

The agreement is intended to allow a member unlimited visits at another participating NJ YMCA. When a member reaches 12 visits, the home Y will verify that the member is visiting their home Y more than the host Y. The host Y can limit the visits at that time if they have not visited their home Y as often as the host Y. The host Y can determine if they take the individual person or the entire unit into account when looking at usage.

The YMCA reserves the right to change or eliminate the Reciprocal Membership program at any time. All members are required to present a valid home Y membership card for identification when using host YMCA facilities and programs. Membership privileges and cards are non-transferable, remain the property of the Home YMCA and can be revoked upon request. The undersigned agrees to the rules and regulations as stated in the program guide and membership handbook.

In consideration for being permitted to utilize the facilities, services and programs of the YMCA for any purpose, including but not limited to observation or use of facilities or equipment, or participation in any program affiliated with the YMCA, without respect to location, the undersigned, for himself or herself and any personal representatives, heirs, and next of kin, hereby acknowledges that the Madison Area YMCA assumes no responsibilities for injuries, illness or death that may be sustained as a result of my physical condition or resulting from participation in any YMCA program or activity. The undersigned hereby releases, waives, discharges and covenants not to sue the YMCA, its directors, officers, employees and agents from any claims for injury, illness, death, loss or damage that may suffered as a result of participation in these activities. The undersigned assumes all risk for participation in YMCA activities. The undersigned acknowledges that a physician should be consulted prior to participating in any physical activity or program.

The Madison Area YMCA is not responsible for any personal property lost or stolen while using YMCA facilities. Members should not bring valuables to the YMCA; if it is necessary, members must provide their own locks to secure items. Lockers may be used only while in the facility.

While participating in YMCA programs the Madison Area YMCA has permission to photograph myself and/or my children and family members for publicity purposes.

All members and visitors of the Madison Area YMCA must provide a valid state or government-issued ID at every visit which will be scanned through the Raptor vSoft database, a system which provides instant screenings for registered sex offenders in all 50 states.
