

Box Tops for Kirby

Dear Parents, Teachers, and Staff:

The Box Tops for Education program enables us to earn money for Kirby every time you purchase every day items! From Cheerios to Kleenex and Old Navy to Pottery Barn, you will probably be surprised at how many of the products and merchants that you use daily are a part of this program. It's a great way to earn "free" dollars - you don't need to purchase anything you don't already. We can earn in two ways:

1. **Clip Box Tops from participating products and**
2. **Shop on-line at stores that participate in the Box Tops Marketplace**

Clip

We ask that you look for the Box Tops for Education logo on participating products, cut it out, and deliver it to your child's classroom for collection. Remember, there will be Box Tops Contests throughout the year, the classrooms collecting the most Box Tops will earn a Classroom celebration to recognize their accomplishment! Please see the attached for a list of participating products and a picture of the Box Tops for Education logo (also pictured above).
