

The Madison Area YMCA is partnering with The Barclays PGA Golf Tournament to be held at Liberty National Golf Course adjacent to Liberty State Park August 25-30, 2009. Barclays will donate funds to the Madison Area YMCA Annual Support Fund based on the number of volunteers.

Our involvement includes providing volunteers (a list of possible volunteer opportunities is attached) as well as selling tickets for the event (ticket sale information will be available at a later date).

Please encourage your friends, family and business associates to volunteer under the Madison Area YMCA affiliation by forwarding this email. Our donation from Barclays will be calculated on the number of volunteers affiliated with us, so the more volunteers we provide, the more money Barclays will donate!

Each volunteer pays \$50.00 for the privilege to volunteer

- Volunteers must work 4 to 6 hour shifts for 3 days. The 3 days may be worked during the Tournament, the week before or the week following the event.
- Volunteers have free access to the tournament for all 5 days
- Volunteers will also receive a guest pass for the week
- Volunteers receive a Greg Norman polo shirt and cap, which is the volunteer uniform, lunch on the days of volunteering, and an invitation to a volunteer party at the end of the Tournament.
- For further details, please see the *YMCA Volunteer Partnership Information* sheet also attached to this email. Complete information is available on The Barclays website.

To volunteer, please visit www.thebarclaysgolf.com, and click on ‘Register To Volunteer.’

On the first page of the registration website, you will be asked to enter an affiliation. Simply select “YMCA – Madison” from the list on the drop down menu. Please enter “Diane Werner” in the Committee Chairman box. Then complete the remainder of the online form.

This is an exclusive course and will have many of the top ranked players involved (Vijay Singh was the winner in 2008). Regular spectator entry fees for the tournament range from \$35 for the day to \$200 for the Tournament.
