

# Pool Schedule

## Family Center

Created: 3/30/2020

### LAP & OPEN SWIM TIMES

**WINTER 2020: January 27 - April 5, 2020**

**LAP SWIM:** For members with the intent to swim continuous laps. Lifeguards will ask swimmers to move to appropriate lanes if necessary. Circle swim will be required if there are more swimmers than lanes. Each swimmer should move to the appropriate lane based on their speed.

**OPEN SWIM:** Pool is open for all to enjoy. This lifeguard-supervised time is for families to use the pool for swimming and free-time. No flotation is permitted in the deep end. To swim in the deep water you must be able to swim one length of the pool on your front or back, float and tread water. Lifeguards may ask swimmers to move to the shallow end for their safety.

Saturday's pool time from 3-5PM is for events. If no event is scheduled, the pool is open for lap swim. Please note that pool schedule is subject to change.

**For a list of specific weekend dates and times when pool lane availability is limited due to Lifeguard Training, please refer to our website home page Announcement, "Lifeguard Classes and Pool Lane Availability."**
