A GIFT OF HEALTHY LIVING AND COMMUNITY

IF YOU GIVE A MEMBER A MISSION...

If you give active adult members an encouraging environment, they will learn that healthy living is achievable for all. They'll find friends that enjoy **Fit & Fun** classes, **Chair Yoga** and they may even compete during a **Pickleball** game! Through our programs, the Y supports optimal well-being and longevity.

A donation to the Family Expansion Project helps us to continue to foster in members the level of spunk only found during our **Zumba Gold** class dance moves!

Your mission, should you choose to accept it...

Join our generous challenge donor and count yourself among the 300 members who achieve the Family Center Expansion fundraising goal. With less than \$1 million remaining, every donation brings our shared vision closer to realization and has a meaningful impact.
