THERE'S NEVER BEEN A BETTER TIME TO BUILD A BETTER US.

LEAVE YOUR LEGACY

The Madison Area YMCA Our Community Our Future Campaign is an opportunity to make a difference in the life of your family, and the community as a whole now and for years to come.

Together, we can leave a legacy for future generations, just as community members of the past made our current facility possible. Please join us in supporting this important community project.

Recognizing the needs of our members and neighbors, and the challenges and limitations of our current facility, the Madison Area YMCA has launched a community fundraising campaign to expand our Y and to continue our mission of providing financial assistance to those who need us. With your help, we will provide additional services to encourage a healthy and active community.

Together, we will connect neighbors and families, strengthening the social bonds that promote understanding. Through your generosity, the YMCA mission will reach more people in our community, making sure we can say "yes" today and in the future.
