# THE NEXT GENERATION OF CHANGEMAKERS

## IF YOU GIVE A MEMBER A MISSION...

If you give **Teens** an opportunity to connect with their community, they will **find their voice** and learn to take initiative to improve well-being. With each exchange of ideas, teens will diversify their perspectives. The empowerment of the **next generation of leaders** will allow for participants in Y Teens programs to continue to find their voices, using it as a powerful tool to enact change in their local and global communities.

At the Y, we will make sure that every participant in our teens programs has the opportunity to grow into bright **changemakers**. Give today and together we can promise a better future.

### Your mission, should you choose to accept it...

Join our generous challenge donor and count yourself among the 300 members who achieve the Family Center Expansion fundraising goal. With less than \$1 million remaining, **every donation brings our shared vision closer to realization and has a meaningful impact.**
